

## Chain Gang

I lay awake all night,  
I can't wait for day.  
I can't explain this feeling,  
But gotta find a way.  
Jonesin' for one last drink,  
Now I head out the door.  
Don't know where I'm going,  
But I'm looking to score.

Staying out all night,  
Up until it's dawn.  
Drinking, dancing, substance romancing,  
Abuse it 'til it's gone.  
Troubled by obsession,  
It's more than I can take.  
Been doing this dance too long,  
Something I can't shake.

Doin' time,  
Time on the Chain Gang,  
You barely survive  
Life on the Chain Gang.

Had it under control,  
But guess I was wrong.  
Haunted by my condition,  
It didn't take too long.  
Something about my sin,  
And this problem of mine.  
You're gonna do the crime,  
You've gotta do the time.

Doin' time,  
Time on the Chain Gang,  
You barely survive  
Life on the Chain Gang.

I've had this affliction,  
For quite some time.  
Gotta find a pathway home,  
God give me a sign.  
I fought this beast inside,  
But I nearly died.  
I finally surrendered myself,  
And God put my demons aside.

Breakin' free,  
Free from the Chain Gang,  
You barely survive  
Life on the Chain Gang,  
Finally free,  
Free from the Chain Gang.
